

## POWER BI ACCELERATED DEVELOPMENT

A unique service model that allows your business organization to utilize Azure expertise on-demand to help you expedite your data and analytics initiatives. This cost-effective approach provides high-value high-impact access to Power BI and Azure Data Services expertise.

Motifworks Pod was built after learning that our customers are looking for an engagement model enables rapid Power BI development by providing Ready access to expertise for different roles without hiring or committing for full time staff. This unique, flexible approach to professional services allows you to get projects done faster based on what your business needs while working side by side with our highly skilled Data & AI experts to design, build, optimize and maintain your Data Analytics, and Power BI solutions.

### Collaborative Partnership

Motifworks Power BI experts work with your team, giving you access knowledge and proven practices from a variety of data technologies

### Cost Effective Model

Shared ownership of a highly skilled team of data engineers, architects, and Power BI developers with multiple subscription tiers

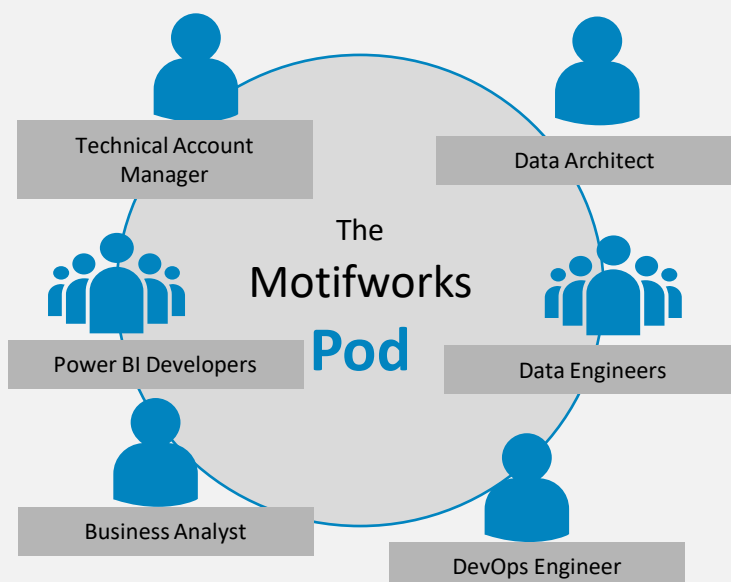

### Flexible Delivery

No long-term commitments, predictable monthly costs, and the ability to scale up and down to fit your company's needs.

## The Motifworks 'Pod'

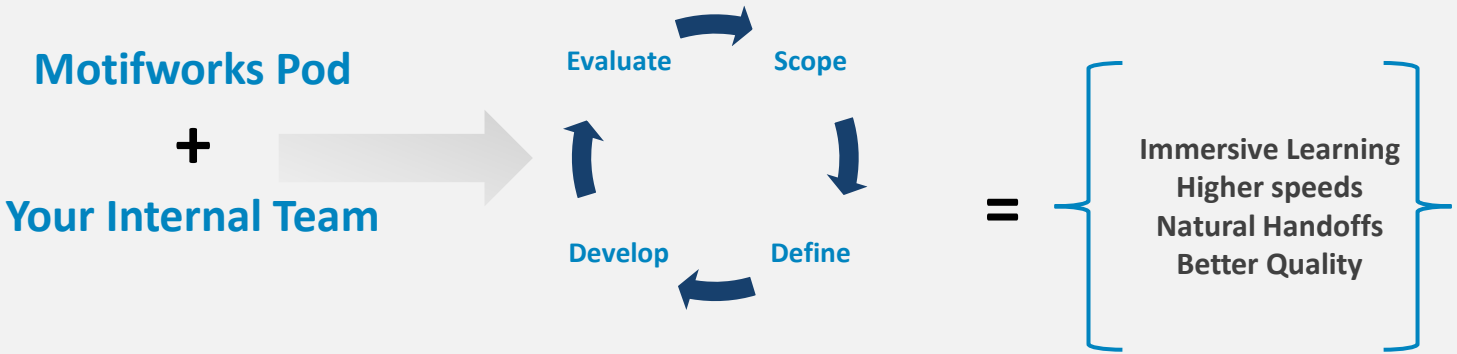

By utilizing Motifworks Teams, you will have access to levels of monthly hours to leverage an empowered team of Motifworks Data & AI experts assigned to your account, organized in a group called a Pod. You will always work with the same Pod who knows you and your business, no matter that tier of hours you choose to use.

- **DIVERSIFIED GROUP OF EXPERTS:** Data Architects, Data Engineers, Power BI Developers, Business Analysts, and Technical Account Managers working together as a unit
- **CONSISTENT TEAM STRUCTURE:** Each of our pods consists of Power BI experts who have been working together across multiple clients and projects
- **SHARED KNOWLEDGE AND RESOURCES:** We create and share resources, tools, and frameworks across all our pods, so every customer benefits from our collective knowledge

# How We Work Together

We want to foster your innovation. We thrive on working closely with our customers in a collaborative and flexible team to accelerate cloud outcomes while giving you our collective knowledge.

## Leverage Motifworks Pod to Support a Broad Range of Power BI Analytics Initiatives

**Self-service BI**  
Q&A  
Collaboration  
Annotations  
Subscription

**Enterprise Scale BI**  
Analysis Services  
Data Security  
Governance  
DevOps  
Automation

**AI in Power BI**  
Forecasting  
Automated ML  
Cognitive Services  
Azure ML

**Power BI Embedded**  
Control visual and user experience  
User Authentication  
JavaScript SDK

**Paginated Reports**  
Pixel perfect  
SSRS Migration  
Report Builder

**Power BI Data Flow**  
CDM  
Certified data sets  
Data Lake  
Databricks and Azure ML

**Data Mashups**  
Access All Data  
Data Wrangling  
Data Modeling  
Power Query & DAX

**Dashboards & Visualizations**  
Story Telling  
Custom Visuals  
Mobile BI  
Real time live dashboards

**Data Discovery**  
Drill down Hierarchies  
Drill Through  
Excel Integration

**Power Platform**  
Power Apps  
Writebacks  
Workflow Automation

**Microsoft Partner**
